Method of Arrival

Please check one: Airport: Springfield Fayetteville Joplin
Bus: Springfield Fayetteville Joplin

Pickup/Departure Locations: The *only* arrival and departure locations are **Springfield/Branson, Missouri (SGF), Fayetteville/Bentonville, Northwest Arkansas (XNA), Joplin, Missouri (JLN)** airports and bus stations. It would be good to coordinate your dates and times at these airports and/or bus stations with other Davidians. It takes one and a half hours to get to the airport or bus station, so please plan to arrive at a time that will bring you to Bashan around **7 pm at the latest**. In returning to the bus station or airport, remember to take into consideration the travel time, the time for checking in (at least 1 hour), and subtract this time from the time of departure. This means you should not make your departure flight earlier than **9 am**. There will be no charge for transportation.

If you come in at any other place or time, please be sure to make your own arrangements that do not include anyone from Bashan.
